27 June 1952

Soviet Military Activity in Laxenburg SUBJECT

NO. OF PAGES

25X1C

NO. OF ENCLS SUPPLEMENT TO

25X1X

- Only the Castle of Laxenburg and the nearby outbuildings are occupied by Soviets. The entire area including a large park is surrounded by a high wall. Observation is possible thru the main gate only; no view of the buildings is possible because of distance and trees. Service colors of the sentry were either black or black-red. One cable line consisting of three thin cables leads into the park.
- The following motor vehicles were seen leaving through the main gate:

25X1C

Above vehicles were manned with soldiers, wearing blackred service colors, and one officer with light gray cap ribbon and cuffs of the same color was observed.

The following vehicles were driving through Laxenburg in direction of Vienna:

25X1C

Three formations of PE-2 planes, flight direction north to south-southeast, were passing over Laxenburg area in 4. short intervals. The first formation consisted of nine planes, the second of eight, and the third of three

25X1C was seen in Baden on Comment: Jeep 25X1X 8 March 1952. 25X1C Comment. Tank car was again observed 25X1X

on the same	day on Schwarzent	ber;platz, Vienna.	
25X1X *** Compr	nent: Tank car	was seen in Voeslau	25X1C
